

Together we can make a difference!

Our impact pledge is to direct 10% of gross revenue from the CAVU money market share classes to organizations making a difference for minority and veteran communities.

CAVU will provide an Annual Report detailing: gross revenue earned from the share classes, total amount pledged, and total paid. Investors who choose to be part of the difference will now be able to do so with the transparency they deserve.

Some of the causes we support:

GIRLS WHO CODE

Girls Who Code is a national non-profit organization working to close the gender gap in technology. Our programs educate, equip, and inspire girls with the computing skills they'll need to pursue 21st century opportunities.

Serving girls from 3rd grade up through college, we have reached 300,000 students through our free programs in all 50 states and internationally in the UK, Canada, and India.

VERA INSTITUTE OF JUSTICE

The Vera Institute of Justice partners with others to tackle the most pressing injustices of our day from the causes and consequence of mass incarceration, racial disparities, and the loss of public trust in law enforcement, to the unmet needs of the vulnerable, the marginalized, and those harmed by crime and violence.

DOG TAG INC.

Dog Tag Inc. strives to build a bridge to business employment and a productive civilian life for veterans and their families. Dog Tag's "Learning Labs" provide real-life work experience for service-disabled veterans, military spouses, and caregivers in the organization's small business venture, Dog Tag Bakery.
